Date of Good work done : 01 January 2018
Brief of the work Done :

Information to pc 856 karamunge one dead body floating in Godavari River at penur. police constable 856 karamunge called to asst. police inspector Kakade and said above matter. Api kakade and staff reach to incident spot quickly. Api kakade seen one body floating on water but not confirm is it lady or man. penur village police patil called some people for help to remove body from river. Finally after 2 hours late period body removed from water. Apikakade and staff observed body condition it found that this body was one of unknown lady and decomposed face also decomposed body hence its difficult to identify. Body of this lady tied to cement pole weighing about 50 to 60 kg with thick rope. After that Api kakade gives detail information to shri SP Meena sir, Add. sp shri Mangesh shinde sir and ASP shri yadav sir also called to forensic mobile van, dog squad, finger print photographer. After all observation no one found in chudav police station in parbhani district. The two doubtful person brought for investigation and show them body of this ladies after two day detail investigation this doubtful person said that one woman not seen since 8 days the name is varsha suryawanshi. She is married and bad in character stay at father homes since 9 months away from his husband. But since 8 to 9 days varsha not seen in village. After that Api kakade and team goes to chudav police station and get the detail information about varsha suryawanshi. She lives at sonkhed pandhari under chudav police station. Chudav police station constable HC pawar gives important information regarding varsha father gangadhar suryawanshi. He is driver and have its own tempo. HC pawar gives information that varsha have bad character in village so that father and his family tiered to his character also give information that in 1996 varsha's father gangadhar was killed to his mother due to his bad character. All this circumstances API kakade call one his mobile to ask for varsha location and replied varsha goes to puna since last 8 days and he put up the phone and switched off his phone. API kakade called to HC pawar chudav police station and ask about gangadhar location but gangadhar not pick up phone of HC pawar. After all gangadhar ready to accept the he killed to varsha with two person and finally arrest to gangadhar and his couligs. After introagation gangadhar his couligs gajanan said that varsha was bad in character and due to this my name and family character going to bad in village and in relatives. On date 24.12.2017 at 08.30 pm. Gangadhar convey to varsha stay with his mavsi and I leave to loha bus stand. Finally varsha has ready to go puna. Gangadhar was planning varsha murder since 8 months. Gangadhar put up cement pole and rope in his tempo and travelling to loha with gajanan and bhagwan accused. They reached to near penure breedze and stop the tempo gangadhar varsha and gajanan seat to front gangadhar kill varsha in tempo and tied to cement pole with the help of this two accused and drop in Godavari river. In this case two accused, tempo, cement pole rope recovered. This detection done under guidance of , add .sp shri Mangesh shinde sir and ASP shri yadav sir. Team API kakade HC 1624 godbole, npc 2483 sakhare and chudav police station HC pawar do job successfully.
